Status:	Approved	Version:	2
Author:	Kevin Butlin	Position:	Director of Education
Date:	16/04/2026	Type:	Policy

## 1. POLICY STATEMENT

Plymouth CAST is committed to ensuring that all pupils feel **safe, valued and respected**, and are free from bullying in all its forms.

Bullying can have a profound and lasting impact on children's **well-being, mental health, attendance and achievement**. It is therefore treated as a **safeguarding concern where appropriate** and addressed promptly, consistently and effectively.

As a Catholic Trust, our approach is rooted in the teaching of Jesus Christ:

*"Love one another. As I have loved you, so you must love one another."* (John 13:34)

This principle underpins our commitment to a culture of **belonging, dignity and compassion**, where all relationships are characterised by **kindness, forgiveness and respect**.

This policy reflects the Trust's commitment to:

  - Timing
  - Repeat pupils
  - Protected characteristics
- 

## 4. Intervention Pathways

  - Behaviour support plans
  - Restorative conferencing
  - Safeguarding escalation (where threshold met)
  - External agency involvement
- 

## 5. Pupil Voice

- Annual survey
- Targeted vulnerable group voice
- Findings feed into improvement planning

---

## 7. REPORTING AND RESPONSE

### 7.1 Reporting Routes

All schools must provide:

- Direct reporting to staff/trusted adult
- Pupils can also report via:
- Pastoral team
  - Safeguarding team
  - Online/reporting system – Tell Us Now

All schools must ensure that:

- All children, including those who are vulnerable, understand and are able to report concerns.

All concerns must be:

- Recorded accurately on CPOMS
- Categorised accurately
- Clearly identify:
  - Nature of concern
  - Actions taken
  - Outcomes and follow-up

Confidentiality will be respected, but will not prevent appropriate information sharing where safeguarding concerns exist

- CP/CIN named social worker notified (victim + perpetrator)
- EHCP student – SENCo + LA allocated worker notified - (victim + perpetrator)
- SEND/ other vulnerable student – SENCo notified - (victim + perpetrator)
- LAC – notify LA Virtual Headteacher

---

### 7.2 Investigation Standards

- Initiated within **24 hours**
  - Completed within **48 hours (where possible)**
  - Separate accounts gathered
  - No assumptions made
-

### 7.3 Graduated Response Model

Serious / safeguarding	DSL/SLT referral + external agencies

---

### 7.4 Follow-Up

Schools must evidence:

- 48-hour check
  - 1-week check
  - Explicit recording: “**bullying stopped / not stopped**”
- 

## SECTION 8: SAFEGUARDING ALIGNMENT (KCSIE 2025 - review for 2026 version)

### 8.1 Bullying as a Safeguarding Concern

Bullying is recognised as a potential **safeguarding concern** and must always be considered within the wider context of a child’s safety, welfare and vulnerability.

Bullying may constitute **child-on-child abuse**, including (but not limited to):

- Physical abuse
- Emotional abuse
- Prejudice-based abuse
- Sexual harassment or sexual violence
- Online abuse

All staff must remain vigilant to the possibility that bullying behaviour indicates:

- Underlying safeguarding concerns
- Unmet needs or vulnerability
- Wider contextual safeguarding risks

Allegations of bullying behaviour towards a child by an adult will always be a **safeguarding issue** (see 8.3 below).

---

## 8.2 DSL Referral Thresholds

### 8.2.1 Referral TO the DSL (Internal Threshold)

All staff must refer concerns to the Designated Safeguarding Lead (DSL) where there is:

- Repeated bullying behaviour
- Prejudice-based bullying
- Cyberbullying
- Evidence of emotional distress, harm or vulnerability
- Any incident involving potential child-on-child abuse
- Any safeguarding concern or uncertainty
- Any allegation of bullying by an adult

Staff must adopt a “**when in doubt, refer**” approach.

All referrals must be:

- Recorded on CPOMS
  - Shared with the DSL without delay
- 

### 8.2.2 Referral BY the DSL (External Threshold)

The DSL will consider referral to external agencies (e.g. MASH/MARU, Police) where there is:

- Reasonable cause to suspect that a child is suffering, or is likely to suffer, **significant harm**
- Behaviour that is **sexualised, abusive or exploitative**
- Evidence of **coercion, intimidation or control**
- Persistent or escalating targeted abuse
- Potential criminal offences (e.g. assault, harassment, hate crime)

All decisions will be made in line with:

- **KCSIE 2025**
  - Local safeguarding partnership thresholds
-

### 8.3 Bullying Involving Adults

Where concerns relate to the behaviour of an adult:

- This must **not be managed solely under this policy**
  - It must be managed in accordance with:
    - Allegations against staff procedures
    - Low-level concerns procedures
    - Referral to the LADO where appropriate
    - Recorded on StaffSafe and cross-referenced on CPOMS Student Safe
    - Where appropriate, careful, sensitive and supportive restorative work must be undertaken
    - Where concerns are raised about an adult bullying other adults it will be dealt with with the support of Trust HR through the Trust Staff Discipline Policy. However, the DSL/Headteacher/Trust HR must also consider whether there is any transferrable risk to children
- 

### 8.4 Record Keeping and Safeguarding Oversight

All bullying-related safeguarding concerns must:

- Be recorded accurately on CPOMS
- Clearly identify:
  - Nature of concern
  - Actions taken
  - Outcomes and follow-up
  - Where a victim/perpetrator is known to social services their named social worker must be informed
  - Where a victim/perpetrator is looked after by the local authority, the Virtual Headteacher must be notified
  - Where victim/perpetrator has an EHCP/allocated LA SEN worker, he/she must be informed.

The DSL will:

- Review patterns of bullying and safeguarding concerns
  - Ensure appropriate escalation
  - Maintain oversight of vulnerable pupils
-

## 9. CYBERBULLYING

### 9.1 Reporting

- Pupils and staff report via established routes
  - All incidents recorded
- 

### 9.2 Evidence Preservation

Staff must:

- Instruct pupils **not to delete evidence**
- Secure:
  - Screenshots
  - URLs
  - Time/date

**Staff must ensure that they do not view images that may be illegal.**

If there is a possibility that images that have been sent or received are indecent or in any other way illegal they must not be viewed. The evidence should be preserved and reported to the police without viewing.

---

### 9.3 Response Protocol

- Assess harm, repetition, intent
  - Apply behaviour or safeguarding response
- 

### 9.4 Parent Guidance

Parents of victims and perpetrators will be:

- Informed promptly
- Provided with:
  - Online safety advice
  - Platform reporting routes

Parents will

- Ensure child and other children are safe
- Instruct children **not to delete evidence**
- Remove mobile phone/device

- Secure:
  - Screenshots
  - URLs
  - Time/date
- Seek support from/report to the school
- Contact the police/other agencies as required

**Parents must ensure that they do not view images that may be illegal.**

If there is a possibility that images that have been sent or received are indecent or in any other way illegal they must not be viewed. The evidence should be preserved and reported to the police without viewing.

---

## 9.5 Off-Site Cyberbullying

Schools will:

- Investigate
- Apply sanctions
- Involve external agencies where needed
- Ensure that school visits including residentials have robust mobile phone/device policies to keep children safe during the trip/visit. This must be included in the trip/visit planning

---

## 10. OFF-SITE BULLYING

Schools will respond to bullying:

- On transport
- Online
- In the community

Where it impacts:

- Welfare
- Safety
- School environment

Schools will always respond to bullying on educational visits/trips/residentials, and incidents that occur during extra-curricular activities, regardless as to whether they are run by the school.

---

## **11. SEXUAL HARASSMENT**

### **11.1 Definition and Scope**

Sexual harassment is defined as unwanted conduct of a sexual nature, which can occur online or offline, and both inside and outside of the school environment.

It can include (but is not limited to):

- Sexual comments, jokes, or taunting
- Sexualised name-calling or remarks about appearance
- Physical behaviour (e.g. unwanted touching, interfering with clothing)
- Displaying or sharing sexual images
- Online sexual harassment (including sharing of nude/semi-nude images, unwanted messages, or coercion)

Sexual harassment exists on a continuum and may overlap with sexual violence, which includes offences such as sexual assault.

### **11.2 Key Principles (KCSiE 2025 Expectations)**

The school adopts a zero-tolerance approach to sexual harassment and sexual violence.

- Such behaviour is never acceptable and will not be dismissed as:
  - “banter”
  - “part of growing up”
  - “boys being boys”
- All concerns will be:
  - Taken seriously
  - Acted upon promptly
  - Managed in a way that prioritises the safety and wellbeing of the child
- The school maintains an ethos of “it could happen here”, ensuring vigilance at all times.

### **11.3 Whole-School Approach**

In line with KCSiE, the school will ensure:

- A culture where sexual harassment is not tolerated or normalised
- Staff are trained to:
  - Recognise signs of sexual harassment and harmful sexual behaviour
  - Challenge inappropriate language and behaviour immediately

- Pupils are taught:
  - Ready, Respectful, Safe
  - About Consent, Responsibility and Respect, and the relationship between the three concepts.
  - What respectful relationships look like
  - That sexual harassment is unacceptable
  
- Systems are in place for safe reporting, including anonymous reporting where appropriate

Failure to challenge such behaviour risks normalising it and creating a culture where more serious harm can occur.

### **11.4 Responding to Reports**

All reports of sexual harassment will be treated as safeguarding concerns.

The school will:

- Take all disclosures seriously and respond proportionately
- Ensure the victim is:
  - Reassured
  - Supported
  - Kept safe

A child should never be made to feel they are creating a problem by reporting. The school will:

- Record concerns in line with safeguarding procedures
- Assess risk and take appropriate action
- Consider whether behaviour meets thresholds for:
  - Early Help
  - Child protection referral
  - Referral to external agencies (including police where appropriate)

### **11.5 Support for All Children Involved**

The school recognises that:

- Victims may experience significant distress and impact on learning
- Children displaying harmful sexual behaviour may themselves require safeguarding support

Accordingly:

- Support will be provided to both victim and alleged perpetrator, as appropriate
- Sanctions and safeguarding responses may operate alongside each other

## **11.6 Online Sexual Harassment**

The school recognises that sexual harassment increasingly occurs online and will:

- Educate pupils on:
  - Safe online behaviour
  - Consent and respectful communication
- Respond to incidents occurring outside school where they impact pupils' safety or wellbeing

## **11.7 Record Keeping and Confidentiality**

All incidents will be:

- Be recorded accurately on CPOMS
- Clearly identify:
  - Nature of concern
  - Actions taken
  - Outcomes and follow-up

Confidentiality will be respected, but will not prevent appropriate information sharing where safeguarding concerns exist

## **11.8 Information Sharing**

- CP/CIN named social worker notified (victim + perpetrator)
- EHCP student – SENCo + LA allocated worker notified - (victim + perpetrator)
- SEND/ other vulnerable student – SENCo notified - (victim + perpetrator)
- LAC – notify LA Virtual Headteacher

Sexual harassment is a serious safeguarding issue, not a behaviour issue alone.

It must be addressed with the same rigour as other forms of abuse.
